Before you start

- **Open this only after you have returned Part A.** Your Part A answers stand as you returned them.
- This form lists **18 proposed changes** to outcomes in **5 cases** of EDUC 105. Read the Part B reviewer guide first.
- The proposals were generated automatically by the syllabus-checking software while it was being tested. They are in no particular order, and identical proposals are shown once. None of them is endorsed by anyone. Judge each on its merits.
- If you cannot judge a proposal, tick **Cannot judge** and say why.
- Fill in this form in Microsoft Word or on paper, or use the response sheet EDUC105-part-b-responses.csv.

Course context

- **Course record** (*Synthetic: written for this review*): EDUC 105 Assessment of Student Learning 1 · BSEd · year 3 · education. See R-CASES and R-CODES in the references.
- **Course description** (*Synthetic: written for this review*): "Principles of assessment, the design of classroom tests and performance tasks, and the interpretation and use of assessment results to improve teaching and learning."
- **Curriculum placement** (*Not held in the system*): The system holds no curriculum, program outcomes or syllabus for BSEd. Judge the cases from the texts given and your knowledge of the program. See R-NONE.
- **Program outcomes in this course's cases** (*Synthetic: written for this review*): general wording written for this review, not BSEd's official outcomes. Judge them as written.
  - Demonstrate professional and ethical teaching practice.
  - Design, implement and evaluate assessments that measure student learning.
- **Course learning outcomes that the ILOs in this course's cases build toward** (*Synthetic: written for this review*):
  - Construct valid and reliable classroom tests.
- **Expected graduate attributes** (*Transcribed: copied into the system, not confirmed by the institution*): the four names held in the system. No description of them is held (R-EGA).
